# My Projects and Achievements

A record of what I create, practise, and accomplish.

---

---

## Featured Projects

### Project 1: My First Web Page

Screenshot of my first HTML web page
My first attempt at building a web page with HTML.

This project helped me understand how HTML structures headings, paragraphs, links, and images.

#### What I Learned

- Creating a basic HTML document
- Using headings and paragraphs
- Adding links and images

---

### Project 2: Personal Website

Screenshot of my personal website
A website documenting my learning and development.

This website brings together my background, skills, projects, interests, and contact information.

#### Website Sections

1. Personal Information
    - Biography
    - Education
2. My Work
    - Projects
    - Achievements

## My Achievements

- Learning achievement: Completed my first HTML page.
- Academic achievement: Add one of your real achievements.
- Personal achievement: Add something you are proud of.

## Project Files

Download a sample HTML file from my project.

```

My Next Goals

- Build a complete website with connected pages.
- Learn CSS to improve website appearance.
- Learn JavaScript in future practical sessions.
